5 Foundational Insurance Concepts Producers Need to Know in 2025

IA Magazine

By *Nancy Germond* - Big "I" executive director of risk management and education.

As we head into a new year, there's no better time to ensure agency managers and owners equip their producers with foundational insurance industry knowledge and concepts. From young agents fresh out of training to seasoned professionals with decades of experience, every producer will benefit from a refresher in the building blocks of insurance.

Doing so will help everyone at your agency better explain tricky insurance concepts to clients, avoid errors & omissions claims, and increase sales and service excellence.

Here are five insurance concepts every producer should make sure they know inside and out—and know how to explain to their clients—in 2025.
