## HBP ELIGIBLE BUSINESS CLASS DESCRIPTIONS (6/1/2010)

63 - Abstracting and Indexing Service: Services include: 1) back-of-the-book indexing in which an index of key words and subjects are created as the last step prior to printing a book; 2) Computer-database indexing in which journal articles are read and the information condensed into a format (short sentences or key words) for inclusion in databases; 3) corporate abstracting in which market or trade information and/or books are read and information pertaining to the business is abstracted into concise summaries. **Title searching and title abstract work are not eligible under this class.**

1 - Accounting Service: Accountants classify and analyze data and documents of financial transactions in order to prepare financial statements and tax forms. They may also audit books, suggest cost control measures, do analysis work and counsel management on alternative methods of operation. Individuals must not have access to their client's funds. **Actuarial consultants are not eligible under this class.**

2 - Adjuster (Public or Independent Claim Adjuster): An adjuster will examine, investigate, analyze and adjust the loss claims presented to insurance companies by their insured's. Investigations consist of gathering evidence and collecting witness statements or depositions. Independent adjusters may handle claims for all insurance lines and are often hired by companies to handle claims in an area where they do not have enough business to open a branch of staff adjusters. Public adjusters are independent contractors hired by insured's consisting of businesses, homeowners and government agencies. Public adjusters handle fire losses and losses stemming from windstorms, explosions, or business interruption. In addition, they help a client complete claims forms and maximize insurance recovery following a loss. **Insurance Investigators are not eligible under this class.**

71 - Advertising Specialty Items Sales: Consists of people who “sell” promotional items that companies give away to help advertise their business. The individual will often have several catalogues from manufacturers he works with. Items range from inexpensive pencils, golf tees, coffee mugs, and hats, to expensive office accessories bearing the company name and logo. **Advertising/Marketing Consultants are not eligible under this class. No direct import of products. No writing of copy or product placement.** **Note: *Personal and Advertising Injury Exclusion*** will be attached to all policies written for this class.

3 - Antique Gallery/Shop: Consists of risks specializing in rare, historic, low to high valued items of a particular type or from a particular time period as well as those that have gift shops with a few authentic antiques inter-mingled. Most items are purchased from individuals or from other dealers. Antique dealers act as liquidators and appraisers. Some may hold auctions and exhibits at trade shows or fairs. **Sales/Distribution of toys is not eligible under this class. No Collector items (i.e. Baseball Cards/Beanie Babies).** **Note: Antiques are valued on an Actual Cash Value basis only.**

4 - Appraisal Service: Valuations experts estimate market value or the cost of producing or replacing physical property such as art, furniture jewelry, or antiques, and the determination of the worth of property, and forecast the monthly earning power of certain classes of property. **Energy consultants are not eligible under this class.**

5 - Art Gallery/Art Studio: An artist who exhibits and sells paintings, drawings, graphics and a variety of other art objects - sculpture, tapestries, photos. Merchandise can range from original works of fine art to mass-produced reproductions. Value of the pieces can vary considerably and are subject to the BPP limit. Restoration and appraisal may also be included. An art studio is a workplace for an artist to study and create art objects. **Ice sculptors are not eligible under this class. Note: Art is valued on an Actual Cash Value basis only.**

6 - Artist Supplies: Consists of sales (via the internet or parties) of supplies artists use in the process of creating pieces of art. Examples: paint, canvas, easels, pencils, charcoal, paper, fabric, yarn, sewing materials, etc. **No retail storefront operations.**

72 - Auctioneer: Auctioneers sell goods by means of competitive bidding either through live auctions, or on the internet ( i.e. eBay). They act as a fiduciary for the seller with the capacity to turn assets into cash. The seller consigns or entrusts property or goods for sale to the auctioneer or auction house. The auctioneer has full responsibility for determining and preparing the auction site, inventorying and cataloguing the goods, arranging for advertising, ensuring that the seller has title to the goods, receiving payment from the buyers, and paying the consignor. There must be no commingling of the seller’s funds with the auctioneer’s personal funds.

**Note: *Personal and Advertising Injury Exclusion*** will be attached to all policies written for this class.

106 - Auditor: This class is limited only to those individuals who examine, verify or correct financial accounts.

7 - Bakeries: Operations where baking (breads, cakes, cookies, pies, rolls, doughnuts, dog treats, etc) is actually performed on the Insured's premises. This class includes the delivery of baked items. Some bakeries may also sell decorating materials. **Coffee Services, and/or Catering operations are not eligible under this class. We do not provide coverage for autos or trailers under our program. Sale of pretzels is not eligible under this class; please refer to the hot dog/pretzel vendor class.**

107 - Balloon Art: Consists of decorating with balloons including making archways and performing balloon shaping, etc.

130 - Barbers: Services include barber (shampooing/conditioning, hair cutting, and hair/beard shaving or trimming) and men's hair styling. Hair dyeing and permanent wave services should be classified under Beauticians. The following services are NOT eligible: The removal of hair by electrolysis, hair implanting or hair transplanting; or the use of any dye or coloring to eyelashes or eyebrows except mascara or eyebrow pencils. **Note: Professional Services Liability is included.**

*\*This class of business is not available in Louisiana, New Hampshire, and Florida*

8 - Barber Supplies: Barber suppliers sell barber products, salon supplies, and equipment. Customers include private barber shops, corporate barber shops, and individuals who take care of their own hair care needs. The supplier may call on barbershops to show clients what products they have available and/or may have customers who come on the premises to purchase products. **Salons/Barber Shops and/or tanning beds are not eligible under this class. Note: Selected Products Liability Exclusion** will be attached to all policies written for this class.

131 - Beauticians: Services may include hair shampooing/conditioning, hair cutting, hair dyeing, hair shaving/trimming and hair styling. In addition to providing "hair" services, manicures and/or other cosmetic treatments are acceptable, but **only** if their main operation is "servicing" hair.

The following services are NOT eligible: Body massage (other than face, scalp or hand), hair straightening (other than by cold process), tanning, microdermabrasion, acid peels, hair replacement (hair implanting or hair transplanting), hair removal (by electrolysis, thermolysis, or any process using radio waves), ear candling, tattooing or permanent make-up applications (including the use of any dye or coloring to eyelashes or eyebrows except mascara or eyebrow pencils), ear piercing, body piercing, hydrotherapy and saunas, and body waxing (other than facial). **Note: Professional Services Liability is included.**

*\*This class of business is not available in Louisiana, New Hampshire, and Florida*

9 - Beauty Supplies: Beauty suppliers sell beauty products, salon supplies, wigs, and related equipment. Customers include private beauty shops, corporate beauty shops, professional salons, and individuals who take care of their own hair care needs. The supplier may call on beauty shops to show clients what products they have available and/or may have customers who come on premises to purchase products. **Salons/Beauty Shops, Tanning, Body Piercing, and Tattoos are not eligible under this class. Note: Selected Products Liability Exclusion** will be attached to all policies written for this class.

140- Beverage Vendor: Preparing and selling of cold and hot non-alcoholic beverages. **Note: Food Contamination and Selected Products Liability Exclusion** will be attached to all policies written for this class.

66 - Billing Service: Consists of maintaining records and processing claims for payment from businesses for hospitals, clinics, physicians, and individuals. Individuals must not have access to their client's funds.

10 - Book/Magazine Distributor: Books and magazines are sold through the mail by subscription, sold door to door, distributed to target audiences, sold over the phone, or sold as a result of direct contact on premises. Distributors may also exhibit at trade shows or fairs. \*\*Representatives and distributors of Barefoot Books, Bright Minds – The Critical Thinking Company, Good Books & Company LLC, NestFamily, The Southwestern Company, Usborne Books at Home & World Book Inc are eligible operations for this classification.

11 - Bookbinding: Binderies turn printed sheets into hardcover and paperback books, catalogues and manuals. Some binderies may specialize in certain types of work; others may do various types of binding. Types of binding include: edition binding, job binding, extra binding, library binding, perfect binding, and mechanical binding. Materials used include: Leather, plastic, cloth, paper, boards, thread, wire rolls, adhesive, inks, paints, varnishes, thinners, solvents, boxes and other packing materials. Depending upon the type of binding, various machines and hand tools may also be used.

12 - Bookkeeping Service: Services include reconciling bank statements, recording payroll, billing, accounts receivable and payable transactions, and preparing financial reports for tax or accounting purposes. **This class is not to be confused with accounting services which interpret and analyze the records prepared by the bookkeeper.** There must not be any access to the client's funds.

92 - Calligraphy: Calligraphers specialize in artistic, stylized, or elegant handwriting or lettering.

73 - Camera/Photography Sales or Repair: This class involves selling and repairing photographic equipment, such as cameras and camera accessories, darkroom equipment, supplies and film. Some may also sell video equipment such as camcorders. Film Developing and printing are usually available via a darkroom or photo finishing laboratory that is set up in the home.

108 - Candle Sales: Independent Dealers of third party manufactured candles usually sold through a home party platform. **No curative or medicinal properties can be attributed. The actual designing/manufacturing of candles and/or the sale/distribution of homemade candles is not eligible under this class.**

\*\*Representatives and distributors of Gold Canyon Candles LLC, Northern Lights at Home & PartyLite Gifts Inc., Scentsy Candles (wickless) are eligible operations for this classification.

**Note: *Selected Products Liability Exclusion*** will be attached to all policies written for this class.

13 - Candy/Nuts Confections: Merchandise includes caramelized/spiced nuts, popcorn, cotton candy, shaved ice vendors, sweet tea, hard sugar candies, creams, jellies, nougats, marshmallows, fudge, caramels, licorice, chocolates, chocolate-coated candies and other novelty candies. Candies are sold on premises, in vending machines, through fund

raisers, via mail order, at trade show and fairs. **Sale of ice cream and perishable foods are not eligible under this class; please refer to dessert vendor, hot dog/pretzel vendor, or beverage vendor classes.**

93 - Car Detailer: Services include complete cleaning (wash & wax), cleaning the windows inside and outside, polishing the chrome, carpet and upholstery vacuuming and cleaning, engine steam cleaning, cleaning of vinyl tops, leather treatments, tire treatments, etc. Detailing of watercraft is eligible under this class. **Car/watercraft painting and sales of automotive /watercraft parts/accessories is not eligible under this class.**

109 - Cell Phone/Pager Sales: Sales and service of cellular phones, pagers and beepers.

14 - Ceramics: Individuals make pottery from clay and other minerals, which are fired in a kiln to achieve permanent shape and strength. Merchandise may include: fine china, bone china, porcelain, earthenware, stoneware, sanitary ware, decorative items and artistic pieces. Materials and equipment include: raw materials, mixing equipment, forming equipment, dryers, kilns, glazing equipment, hand tools and decorating supplies.

74 - Clock or Watch Repair: These craftsmen have the knowledge and equipment needed for repairing clocks and watches. They may operate a general repair service or specialize in antiques items. The source of their business would be retail customers who contact them, or they may get work sub-contracted from retail shops or other repairmen.

15- Clowns, Magicians, Entertainers: Individuals provide seasonal or year-round live entertainment for birthday parties, small gatherings, special events, etc. Face painting and temporary “painted/stickered” tattoos are eligible under this class. **Bands, \*disk jockeys, talent agents, and booking agents are not eligible under this class. \*Disk Jockeys are available under the DJ’s Class. NO inflatables, petting zoos, or animal trainers.**

**Note: This class of business is not available in Kansas or New Jersey.**

16 - Computer Consultants and Trainers: Computer consultants take a broad view of an organization and its computer needs. They ask people what they want to achieve and explore the possibilities for how a computer can help them accomplish it. Professional advice is given to the client on selecting computer hardware/software and phone systems to fit their needs. The consultant may also train clients on using the computers and program applications. Installation is acceptable. **Sales/development/integration of custom applications and/or programs is not eligible under this class. Electrical wiring is not eligible as this is a contracting exposure.**

17 - Computer Repair: Individuals that have the expertise for repairing computer hardware equipment. The repair work can be done on premises or on the customer’s premises.

94 - Computer Sales: This class involves selling computers and computer related equipment consisting of:

**Hardware:** computer systems (central processing units), internal disk drives, and hard drives.

**Software:** computer programs loaded on diskettes or compact discs.

**Peripherals:** video monitors, modems, trackballs, mice, numerical keypads, microphones, keyboards, external disk drives, printers, game controls, multimedia speakers, plotting boards for graphics, image reader scanners, surge protectors, headphones, virtual reality equipment.
