## Introducing: Catalyit's Agency Masterclass Series

Technology is moving fast.

AI, data, and cybersecurity are reshaping how agencies operate.

Most agencies are reacting.  
The best ones have a plan.

The new Catalyit Agency Masterclass Series gives you that plan.

### Series Focus -

- Change Management
- Tech Stack Architecture
- AI
- Data & Analytics
- Cybersecurity
- Sales & Client Experience

Stop guessing. Start leading.

### [Essentials of Commercial Underwriting](#)

Build your team's ability to assess and manage commercial property risk using practical tools like the COPE model, natural hazard analysis, and probable maximum loss (PML) estimation. This on-demand CE

course builds critical underwriting skills to support smarter coverage decisions and risk evaluation.

**3 General CE Credit Hours**

*Free for IIAMT Agency Members*

---

**Reminder:** Big "I" Montana members receive free access to all on-demand and live CE classes through CEU/The Institutes AND an exclusive 20% discount on all of The Institutes' designations.
